EDUCATION

Diploma in Cybersecurity & Digital Forensics
Nanyang Polytechnic
2022 - Present
cGPA: 4.0

GCE O'Level
North Vista Secondary School
2018 - 2021
L1R5:6 Raw

EXPERIENCE

Web Development Intern
CyberLitmus
December 2021 - March 2022

Worked together with the development team in developing a data-driven platform to simulate a range of human attack vectors, to help businesses manage their human risk. Picked up new technologies such as Angular in a few weeks and kept toe-to-toe with my much older and experienced colleagues.

Event Technical Support Staff
CloudSine
December 2021

Provided enterprise-level assistance for a cybersecurity challenge event involving over 500 participants.

ROHAN SENTHIL

SUMMARY

I am a cybersecurity enthusiast, eager to explore and learn about the latest threats and solutions in the industry. I am always up for a challenge as I love tasks that push me out of my comfort zone and test my ability. I enjoy analysing situations, connecting the dots and taking action.

HCIA Cloud Service
Huawei

PROJECTS

The Watcher
Advanced discord chat moderation bot with anti-phishing capabilities..

EnvironMeet
Social Media web application with posting and live chat functions. Included security features such as live integrity monitoring of the web application and OpenSearch dashboard integration.

USB Rubber Ducky
Created scripts that allowed this seemingly innocent USB drive to disable windows defender and establish a reverse shell connection.

VOLUNTEERING

Sound Engineer
Cornerstone Community Church
2022 - Present

Assisted in the setting up of sound systems pre-service/events. Managed Live Audio to adjust and balance sound sources

Vice-President NYP KIckboxing
Nanyang Polytechnic
2023 - 2024

Managed the clubs' day-to-day operations and departments. Helped organise many events to further grow and develop the club and its members.

Subcommittee NYP InfoSec
Nanyang Polytechnic
2022 - Present

Helped to plan, organise and facilitate information security related events from workshops to capture-the-flag (CTF) events.
